WHEREAS, the Court conducted a hearing on May 23, 2018 (the “Fairness Hearing”) to consider, among other things, (a) whether the terms and conditions of the Settlement Agreements are fair, reasonable, and adequate to the Settlement Classes, and should therefore be approved; and (b) whether a judgment should be entered dismissing the Action with prejudice as against Morgan Stanley; and

WHEREAS, the Court having reviewed and considered the Settlement Agreements, all papers filed and proceedings held herein in connection with the Settlement Agreements, all oral and written comments received regarding the Settlement Agreements, and the record in the Action, and good cause appearing therefore,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. **Jurisdiction** – This Court has jurisdiction over the subject matter of the Action, all matters relating to the Settlement Agreement, as well as personal jurisdiction over all Parties and each of the Settlement Class Members.
2. **CAFA Notice** – The notice provisions of the Class Action Fairness Act, 28 U.S.C. §1715, have been satisfied.
3. **Incorporation of Settlement Documents** – This Final Order and Judgment incorporates and makes a part hereof: (a) the Settlement Agreement; and (b) the Mail Notice, Claim Form, and Publication Notice, which were each approved by the Court on September 29, 2017.
4. **Class Certification for Settlement Purposes** – Pursuant to Rule 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure, and based on the record before the Court, including the submissions in support of the settlement and objections and responses thereto, the

Court hereby affirms its determinations in the Preliminary Approval Order and certifies, for the purposes of settlement only, the following Settlement Classes:

**The Direct Settlement Class:** All Persons who, between January 1, 2003 and December 15, 2015, entered into an FX Instrument directly with a Defendant, a direct or indirect parent, subsidiary, or division of a Defendant, a Released Defendant Party, or co-conspirator where such Persons were either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, transacted FX Instruments in the United States or its territories. Specifically excluded from the Direct Settlement Class are Defendants; Released Defendant Parties; co-conspirators; the officers, directors, or employees of any Defendant, Released Defendant Party, or co-conspirator; any entity in which any Defendant, Released Defendant Party, or co-conspirator has a controlling interest; any affiliate, legal representative, heir, or assign of any Defendant, Released Defendant Party, or co-conspirator and any person acting on their behalf; provided, however, that Investment Vehicles shall not be excluded from the definition of the Direct Settlement Class. Also excluded from the Direct Settlement Class are any judicial officer presiding over this action and the members of his/her immediate family and judicial staff, and any juror assigned to this Action.

**The Exchange-Only Settlement Class:** All Persons who, between January 1, 2003 and December 15, 2015, entered into FX Exchange-Traded Instruments where such Persons were either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, entered into FX Exchange-Traded Instruments on a U.S. exchange. Specifically excluded from the Exchange-Only Settlement Class are Defendants; Released Defendant Parties; co-conspirators; the officers, directors, or employees of any Defendant, Released Defendant Party, or co-conspirator; any entity in which any Defendant, Released Defendant Party, or co-conspirator has a controlling interest; any affiliate, legal representative, heir, or assign of any Defendant, Released Defendant Party, or co-conspirator and any person acting on their behalf; provided, however, that Investment Vehicles shall not be excluded from the definition of the Exchange-Only Settlement Class. Also excluded from the Exchange-Only Settlement Class are: (i) any judicial officer presiding over this action and any member of his/her immediate family and judicial staff, and any juror assigned to this Action; and (ii) any Person who, between January 1, 2003 and December 15, 2015, entered into an FX Instrument directly with a Defendant, a direct or indirect parent, subsidiary, or division of a Defendant, a Released Defendant Party, or co-conspirator, where such Person was either domiciled in the United States or its territories or, if domiciled outside the United States or its territories, transacted FX Instruments in the United States or its territories.

5. The Court finds that the requirements of Rule 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure are satisfied solely for settlement purposes, as follows:

a. Pursuant to Rule 23(a)(1), the Court determines that the Settlement Class Members are so numerous that their joinder before the Court would be impracticable.

b. Pursuant to Rule 23(a)(2), the Court determines that there are one or more questions of fact or law common to the Settlement Classes.

c. Pursuant to Rule 23(a)(3), the Court determines that Class Plaintiffs' claims are typical of the claims of the Settlement Classes.

d. Pursuant to Rule 23(a)(4), the Court determines that Class Plaintiffs will fairly and adequately protect the interests of the Settlement Classes. Direct Class Plaintiffs are certified as class representatives on behalf of the Direct Settlement Class; and Exchange-Only Class Plaintiffs are certified as class representatives on behalf of the Exchange-Only Settlement Class.

e. Pursuant to Rule 23(b)(3), the Court determines that common questions of law and fact predominate over questions affecting only individual members.

f. Also pursuant to Rule 23(b)(3), the Court determines that a class action is superior to other available methods for the fair and efficient adjudication of this Action.

6. Pursuant to Rule 23(g) of the Federal Rules of Civil Procedure, Class Counsel are certified as settlement class counsel for the Settlement Classes.

7. **Notice** – The Court finds that the dissemination of the Mail Notice and Publication Notice: (a) were implemented in accordance with the Notice Order; (b) constitutes the best notice practicable under the circumstances; (c) constitutes notice that was reasonably calculated, under the circumstances, to apprise the Settlement Classes of (i) the pendency of the Action; (ii) the effect of the Settlement Agreements (including the Releases to be provided thereunder); (iii) Class Counsel's motion for an award of attorneys' fees and reimbursement of expenses; (iv) the right to

object to any aspect of the Settlement Agreements, the Plan of Distribution, and/or Class Counsel's motion for attorneys' fees and reimbursement of expenses; (v) the right to opt out of the Settlement Classes; and (vi) the right to appear at the Fairness Hearing; (d) constitutes due, adequate, and sufficient notice to all persons and entities entitled to receive notice of the Settlement Agreements; and (e) satisfies the requirements of Rule 23 of the Federal Rules of Civil Procedure and the United States Constitution (including the Due Process Clause).

8. **Final Settlement Approval** – Pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, the Court hereby grants final approval of the Settlement Agreement in all respects (including, without limitation: the Settlement Fund amount; the Releases; and the dismissal with prejudice of the claims asserted against Morgan Stanley in the Action), and finds that the Settlement Agreement is, in all respects, fair, reasonable, and adequate to the Settlement Classes. In reaching this conclusion, the Court considered the factors set forth in *City of Detroit v. Grinnell Corp.*, 495 F.2d 448, 463 (2d Cir. 1974), *abrogated on other grounds by Goldberger v. Integrated Res., Inc.*, 209 F.3d 43 (2d Cir. 2000). Moreover, the Court concludes that:

a. the Settlement Agreement was fairly and honestly negotiated by counsel with significant experience litigating class actions and is the result of vigorous arm's-length negotiations undertaken in good faith and with the assistance of Kenneth R. Feinberg, an experienced and well-regarded mediator of complex cases;

b. the Action involves contested issues of law and fact, such that the value of an immediate monetary recovery, in conjunction with the value of the cooperation agreement, outweigh the mere possibility of future relief after protracted and expensive litigation;

c. this is a partial settlement of the Action in a multi-defendant antitrust case, meaning that if Class Plaintiffs' claims are proven at trial, non-settling defendants will remain

liable for all class damages under principles of joint and several liability, and, as such, the Settlement Agreement provides a guaranteed cash recovery and other benefits to the Settlement Classes without substantially diminishing the value of the case going forward;

d. success in antitrust cases such as this one is inherently uncertain, and there is no guarantee that continued litigation would yield a superior result; and

e. Class Counsel's judgment that the Settlement Agreement is fair and reasonable.

9. **Dismissal of the Action and Release** – Except as to any claim of those Persons (identified in Exhibit A) who have validly and timely requested exclusion from the Settlement Classes ("Opt-Outs"), the Action and all claims contained therein, as well as all of the Released Claims against any of the Released Parties by Class Plaintiffs, Settlement Class Members, and Releasing Parties are each hereby dismissed with prejudice. The Parties are to bear their own costs, except as otherwise provided in the Settlement Agreement.

10. The Opt-Outs identified in Exhibit A are excluded from the Settlement Classes pursuant to properly made requests, are not bound by the Settlement Agreements, or this Final Order and Judgment, and may not make any claim or receive any benefit from the Settlement Agreements, whether monetary or otherwise.

11. The releases set forth in paragraph 8 of the Settlement Agreement, together with the Definitions contained in paragraph 2 of the Settlement Agreement relating thereto, are expressly incorporated herein in all respects. The releases are effective as of the Effective Date.

12. Upon the Effective Date, each of the Released Parties: (a) shall be deemed to have, and by operation of this Final Order and Judgment shall have fully, finally, and forever waived, released, relinquished, and discharged (i) Class Plaintiffs, Class Lead Counsel, and each and all

Settlement Class Members from each and every one of the Settling Defendants' Claims, and (ii) any rights to the protections afforded under California Civil Code §1542 and/or any other similar, comparable, or equivalent laws; (b) shall forever be enjoined from prosecuting the Settling Defendants' Claims; and (c) agrees and covenants not to sue on the basis of any Settling Defendants' Claims, or to assist any third party in commencing or maintaining any such suit related to any Settling Defendants' Claims.

13. Upon the Effective Date, each of the Releasing Parties: (a) shall be deemed to have, and by operation of this Final Order and Judgment, shall have fully, finally, and forever waived, released, relinquished, and discharged (i) all Released Claims against the Released Parties, regardless of whether such Releasing Party executes and delivers a proof of claim and release form, and (ii) any rights to the protections afforded under California Civil Code §1542 and/or any other similar, comparable, or equivalent laws; (b) shall forever be enjoined from prosecuting in any forum any Released Claim against any of the Released Parties; and (c) agrees and covenants not to sue any of the Released Parties on the basis of any Released Claims or to assist any third party in commencing or maintaining any suit against any Released Party related in any way to any Released Claims.

14. Upon the Effective Date, claims against the Released Parties for contribution or indemnification (however denominated) for all or a portion of any amounts paid in the Action by way of settlement, judgment, or otherwise, are barred.

15. This Final Order and Judgment shall not affect, in any way, the right of Class Plaintiffs, Settlement Class Members, or Releasing Parties to pursue claims, if any, outside the scope of the Released Claims.

16. Nothing in this Final Order and Judgment shall bar any action by any of the Parties to enforce or effectuate the terms of the Settlement Agreement or this Final Order and Judgment.

17. All rights of Class Plaintiffs, Settlement Class Members, and Releasing Parties against non-settling defendants or any Persons other than the Released Parties with respect to any of the Released Claims are specifically reserved by Class Plaintiffs, Settlement Class Members, or Releasing Parties. The purchase, sale, and trading of FX Instruments and FX Exchange-Traded Instruments by Morgan Stanley shall remain in the case as a potential basis for joint and several liability damages claims against non-settling defendants, or any other Persons other than the Released Parties.

18. **No Admission** – Neither the Settlement Agreement nor the settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the settlement contained therein: (a) is or may be deemed to be or may be used as an admission or evidence of the validity of any Released Claim, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Parties in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. The Settlement Agreement may be filed in an action to enforce or interpret the terms of the Settlement Agreement, the settlement contained therein, and any other documents executed in connection with the performance of the agreements embodied therein. The Released Parties may file the Settlement Agreement and/or this Final Order and Judgment in any action that may be brought against them in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, full faith and credit, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

19. **Retention of Jurisdiction** – Without affecting the finality of this Final Order and Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of the Settlement Agreement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys’ fees and reimbursement of expenses; and (d) all Parties hereto for the purpose of construing, enforcing, and administering the terms of the Settlement Agreement.

20. **Rule 11 Findings** – The Court finds that during the course of the Action, the Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

21. **Termination of Settlement or Failure of Effective Date to Occur** – In the event that the settlement does not become effective in accordance with the terms of the Settlement Agreement or the Effective Date does not occur, or in the event that the Settlement Fund, or any portion thereof, is returned to Morgan Stanley in accordance with the Settlement Agreement, then this Final Order and Judgment shall be rendered null and void to the extent provided by and in accordance with the Settlement Agreement and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Settlement Agreement.

22. Except as otherwise provided herein, in the event the Settlement Agreement is terminated, is vacated, is not approved, or the Effective Date fails to occur for any reason, then the Parties to the Settlement Agreement shall be deemed to have reverted to their respective status in the Action as of the Execution Date, and the Parties shall proceed in all respects as if the Settlement Agreement and any related orders had not been entered, and any portion of the Settlement Fund previously paid by or on behalf of Morgan Stanley, together with any interest earned thereon (and,

if applicable, re-payment of any Fee and Expense Award referred to in paragraph 9(a) of the Settlement Agreement), less any Taxes due, if any, with respect to such income, and less costs of administration and notice actually incurred and paid or payable from the Settlement Fund (not to exceed \$500,000 without the prior approval of the Court) shall be returned to Morgan Stanley within ten (10) business days from the date of the event causing such termination. At the request of Morgan Stanley's Counsel, the Escrow Agent shall apply for any tax refund owed on the Settlement Fund and pay the proceeds to Morgan Stanley.

23. **Modification** – Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

24. **Separate Orders** – Separate orders shall be entered regarding approval of the Plan of Distribution and awarding attorneys' fees and reimbursement of litigation expenses. Such orders shall in no way disturb or affect this Final Order and Judgment and shall not affect or delay the Effective Date of the Settlement.

25. **Entry of Order** – There is no just reason for delay in the entry of this Final Order and Judgment, and immediate entry by the Clerk of the Court is expressly directed.

IT IS SO ORDERED.
